About RFF Seattle

- Founded in 2014, the Romanian Film Festival in Seattle represents the highlight of the Romanian cultural life in Washington State and nationwide, since its online migration due to the pandemic.
- The American Romanian Cultural Society (ARCS), who organizes the festival, is one of the largest non-profit in NW America, promoting Romanian culture through educational, artistic and networking events since 2013.
- In 2023 the festival will take place in person at SIFF Cinema Uptown and Northwest Film Forum in Seattle, as well as online on Eventive. The virtual edition will offer unique opportunities for brand exposure by inviting you to reach a national audience.
