About RFF

3

Founded in 2014, the Romanian Film Festival in Seattle represents the highlight of the Romanian cultural life in Washington state.

The American Romanian Cultural Society (ARCS), who organizes the festival, is the largest non-profit in NW America, promoting Romanian culture through educational, artistic and networking events.

The festival offers unique opportunities for brand exposure by inviting you to reach over 2,000 festival goers, the majority of them white collar professionals (25-45) based in or around Seattle.

Depending on your preferred level of sponsorship, you have the opportunity to reach out to our audience in print, via email and even live, during the many festival supporting events.
