About the Romanian Film Festival Seattle

- Founded in 2014, the Romanian Film Festival in Seattle represents the highlight of the Romanian cultural life in Washington State and nationwide.
- The American Romanian Cultural Society (ARCS), who organizes the festival, is one of the largest non-profits in NW America, promoting Romanian culture through educational, artistic and networking events since 2013.
- The 13th edition of the festival will take place at SIFF Cinema Uptown in Seattle, featuring 9 Romanian and Moldovan films and special international guests. We offer special opportunities for brand exposure locally, as well as nationally.
